YOUNG VVINNIES

It has been a very busy year for the Members of The Young Vinnies’ Society. The team began their work back in Term 3, where they collected donations for the Winter Appeal. The students came together to make posters and knit squares which were then sent to St Vincent de Paul to make blankets for the poor.

In Term 4, we encouraged children to bring in donations of food, toys and clothing by putting up posters around the school grounds and speaking at assembly. All these wonderful donations, which will become Christmas Hampers for less fortunate families, were collected and placed under the Wishing Tree.

Thank you kindly for all the donations you have given to our wonderful, dedicated group of girls who have worked so hard to make a difference in our community by witnessing the Gospel and carrying out the vision of St Vincent de Paul himself.
