Second Week

Dear Parents

### ***This is the final newsletter for 2020!***

This has been one of the most difficult yet rewarding years that I have experienced in my career. Covid-19 produced many different and challenging experiences for everyone within our school community and yet we all banded together and collaboratively worked together to provide the best possible outcomes for the children. Whether it was through remote learning on-line, educational packs, personal phone calls and meeting with staff members, we met these challenges head on and produced great results. Before this year not many of us had heard of or even considered social distancing of metres apart and elbow bumping congratulations rather than hand shaking. Our school continues to be at the forefront of presenting a comprehensive Catholic education to everyone in Clarkson and the surrounding suburbs. I am so proud of all the children and staff's resiliency in trying circumstances. Much of it unknown. The initiative shown by the children as well as the collaborative open-ended tasks devised by the teachers have been a credit to all. We packed in events in Terms 3 and 4 to ensure that the children could attend and participate in many of the "yearly activities" that they may have otherwise missed out on. So much has been achieved and we eagerly look forward to 2021 with renewed vigour and excitement, and of course, sound health. We are blessed with wonderful teachers, staff, students, and parents. I will continue to pray for you all at our school and know that great things will continue to happen.

On Wednesday night, I was fortunate to attend the Year 6 Graduation Mass and associated ceremony in the School Hall. We have had an enthusiastic and enjoyable Year 6 group of children attend St Andrew's this year. I enjoyed a productive relationship with them all and know, with their outstanding teachers, that they will leave St Andrew's proud and with an ongoing respect to achieve their personal best. Good luck to all the Year 6 Students and I wish them well for their exciting futures.

Last Friday, I was very happy to be invited by our current Year 6 students to their graduation outing. This event was held at The Maze. The weather was kind, and the children had a very enjoyable time. I thank, Mr Smith, Mr Waddell, Mrs Campbell, Mrs Baldock, Mrs Harvey, Mrs Kazmierczak and Mrs Young for all their efforts to make this event the success that it was.

Congratulations!

On Monday morning we were entertained and amazed by our in-school music students who performed in the Music Gala. This event has proven to be popular for all involved and showcases the talent of our students. Some who have just recently joined the music program to others who are accomplished performers. It also allowed the tutors to demonstrate to the children small group performances compared to an individual performance. Congratulations to Mrs Mulholland, the in-school music tutors, and all the talented students.

Monday also showcased our students as they performed their routines in the Footsteps Program. This program is developed to promote a healthy lifestyle, develop coordination, following instructions and gross motor skills. It was wonderful to see the progression from their first lesson to the final product. Thank you all involved, especially Mr Waddell who coordinated the event.

As from my letter at the end of Term 3 this year, the School Advisory Council and I have worked very hard to keep school tuition fees for 2021 the same as in 2020. That is, there is a 0% increase in school tuition fees and the building levy for 2021. In fact, we have extended this 0% increase to every line item on the school fee account. (Even though there have been some increases from suppliers, the school will absorb the costs for the benefits of all families.) A copy of the school fess is attached to the end of this newsletter. Thank you to all involved.

Being the last newsletter for 2020, I wish all families a very peaceful Christmas and an enjoyable New Year. Even though you may find it difficult to spend time with loved ones, I hope that in your heart you can pray for all those people less fortunate than yourself. May you all return in the New Year refreshed and with enthusiasm. Finally, to those families who are leaving the school, I wish you all the best in your future endeavours.

### **STAFFING**

I would like to thank Mrs Jennifer Colyer who retires officially at the end of the year. Since joining our school 20 years ago, Jen has worked in a variety of roles, the most recent being the Kindergarten Blue Teaching Assistant. Prior to joining the wonderful staff at St Andrew's Jennifer worked at Mercy college and has completed a total of 25½ years in Catholic Education. We also know that if you are on a beach in the northern suburbs of Perth, you will find Jen as one of the leading surf club members and an inspiration to all. She has been a very supportive and dedicated member of staff and we wish her every happiness in the future as she relaxes with her children and grandchildren. We know that her heart is filled with fond memories of St Andrew's school.

We sadly say farewell to Mrs Marion Kenny. Marion has worked in the Catholic Education system for 21 years. She has been a valuable staff member at St Andrew's for 12 years. Marion has held several different roles within the school, both full and part time. Her passion is for Gifted and Talented Education and exploring ways to provide opportunities for children to 'think outside the box' and explore ways to look at things differently. Her positive and encouraging manner is infectious and all the children really enjoy her lessons. As Marion retires to enjoy more time with her family and grandchildren, we know that she will always have fond memories of her time with St Andrew's.

We also say goodbye to Mrs Lisa Stokes. Lisa has worked at our school for 22 years and has held a variety of roles within several different classes. The 22 years was not in continuous service. One of Lisa's greatest gifts is her flexible approach and no hassle attitude. Lisa will turn any situation into one that results in a positive outcome for all involved. We wish Lisa every happiness for the future and know that she will be missed greatly at St Andrew's. We truthfully hope that our paths will cross once again in the future.

I warmly welcome the following staff members who will assume various roles throughout the school in 2021 - ***Mrs Monique Champion who will share the Office Administrator role with Mrs Lesley O'Neil, as she has decided to go part time in 2021.*** Mrs Champion has worked at several Catholic Schools including St Paul's, Karratha, St Dominic's, and St Gerard's. She is proficient and has had significant experience with AoS Student Administration and AoS Financials. She also has had many years' experience with Seqta at all levels. We welcome Monique.

***We also welcome Mrs Rae Connolly, in a support Teaching Assistant role*** for Kindergarten White. Mrs Connolly has worked at several schools, including Glendale Primary and Our Lady of Grace. She is an accredited Dyslexia Spelt Tutor. We welcome Rae.

Mrs Alison Campbell assumes the Assistant Principal position for 2021, Mrs Michelle Forzatti and Mrs Danielle Jones both return from parental leave on a part time basis, in Year 4 and Year 2. A warm welcome back.

Parents should also note that several other staff have changed positions for next year and we know they are excited as they commence their new roles for 2021. To our new staff members, we wish a long and rewarding career at St Andrew's and I know that all the children and parents will make you feel very welcome.

# **INFORMATION OPEN AFTERNOON**

(Parent – Teacher Information Sessions)

**Years PP – 6**

(And NEW KINDERGARTEN PARENTS)

***straight after school until 4:45pm  
on Tuesday 2<sup>nd</sup> February.***

I would like to invite all parents to attend the ***Information Open Afternoon*** (K – Year 6) which will be held on, **Tuesday 2<sup>nd</sup> February.** Classrooms will remain open afterschool and close at 4:45pm sharp.

It is imperative that you attend this afternoon so that you can formally meet your child's classroom teacher as well as obtain very valuable information regarding the year ahead. If you cannot make it on this day, then it is just as important to contact your child's classroom teacher and obtain a copy of the information presented.

For new families or families that have been unable to attend before, the simple outline for the afternoon is for the parents to visit their child's classroom, introduce themselves and gather the information that will be presented. It is **NOT A TIME** for a personal parent / teacher interview. (If required, this should be made a later time, in coordination with the teacher.)

The classrooms will remain open straight after school (unless your child's classroom teacher is on duty) until approximately 4:45pm to provide ample time for parents to attend.

Kindergarten and Pre-Primary parents, who attended the Orientation Meetings earlier this year are not required to attend this afternoon, as the same information will be presented. However, if you are a new family with students attending these classes then it would be important to attend this afternoon to gather the information that was presented at the Orientation Meetings.

I look forward to seeing you all on the afternoon

# Christmas Family Prayer

Illustration: David Hall by David Hall

The reading we share today is from the Gospel of Luke (2:8-20)

In that region there were shepherds living in the fields, keeping watch over their flock by night. Then an angel of the Lord stood before them, and the glory of the Lord shone around them, and they were terrified.

But the angel said to them, "Do not be afraid; for see I am bringing you good news of great joy for all the people: to you is born this day in the city of David a Saviour, who is the Messiah, the Lord. This will be a sign for you: you will find a child wrapped in bands of cloth and lying in a manger."

And suddenly there was with the angel a multitude of the heavenly host, praising God and saying, "Glory to God in the highest heaven, and on earth peace among those whom he favours!"

When the angels had left them and gone into heaven, the shepherds said to one another, "Let us go now to Bethlehem and see this thing that has taken place, which the Lord has made known to us." So they went with haste and found Mary and Joseph, and the child lying in the manger. When they saw this, they made known what had been told them about this child; and all who heard it were amazed at what the shepherds told them.

But Mary treasured all these words and pondered them in her heart. The shepherds returned, glorifying and praising God for all they had heard and seen, as it had been told them.

## Reflection

For each member in our family, our birth story is very special and there are moments of joy in the celebration but to be announced by an angel, as this Gospel writer tells us is what happens for Jesus, is really amazing!

The announcement is made to shepherds. Shepherds were what we would today call poor and disadvantaged. Yet the announcement of Jesus' birth is made to them which tells us right from the very start of Jesus' life, that he came for all people, especially those who were having a hard time.

2020 has been a challenging year for each of us. We have not been able to go to school sometimes, to pray together, to play sport together and visit our friends and families, some for long periods of time. What this story reminds us this Christmas is that there is great joy in the birth of Jesus, and it brings us hope.

Each of you might like to share together a joy from this year and hope that the birth of Jesus brings you for 2021.

## Prayers of Intercession

Please share the reading of these with those gathered.

As we gather together, we pray:

For the Church and all throughout the world, that as we celebrate Jesus' birth, that together we may grow in holiness, we pray to the Lord.

For all the people, that Jesus' words and values may find a place in their hearts, we pray to the Lord.

As we celebrate 200 years of Catholic education, grant those teaching and learning, planning and leading and the families and community that entrust their young people to Catholic schools a love of learning and a willingness to be the face of Jesus in the world, we pray to the Lord.

For all families, especially our family gathered together today, that we will continue to know the love of our God, we pray to the Lord.

For those who are at work this Christmas, particularly those who have worked so hard in healthcare during this year, we pray to the Lord.

For all those who in have been sick during 2020 and for those who have died, particularly those who have been affected by Covid, we pray to the Lord.

For our own needs, we invite each person to offer their own prayer [at this time each person may like to share something they would like to pray for], we pray to the Lord.

## Closing Prayer

Loving God,  
In this Christmas season we thank you for the great joy you have sent us in the birth of Jesus.

Help us to be the voice and hands of the angel sharing Jesus with one another this Christmas season.  
In Your name, we pray, Amen.
