Companions on the Journey

NEWSLETTER NO 25 2020
27 AUGUST 2020

Dear Lord,
Thank you for our break times and lunch times,
and for all of the times that we go out to play.
Thank you for the games that we can play,
and the fun that we can have with our friends.
Please help us to not just think about what we want to play,
but what others want to do today.
Please help me to include and not exclude
so that not just some but everyone can have fun and join in. Amen.

Dear Parents and Guardians

Our Pre-primary Blue and White assembly will still be held next Friday as listed on our term dates. We request that families attending ensure that they observe the correct social distancing.

Today and tomorrow, Scitech are visiting St Andrew's to present an exciting incursion for all students from Pre-Primary to Year 6.

A **Mix and Make Show and Workshop** lets students combine different solutions to create something new and the junior scientists will use their senses to describe what they discover.

During the **Element of Surprise Show and Workshop** students will explore chemistry to reveal unseen properties using common household ingredients and then complete a hands-on medical challenge!

God Bless you

Sam Fontaine
Principal

VISION STATEMENT

St Andrew's CPS offers an education that acknowledges, respects and nurtures the uniqueness of each person.
Within a framework of Catholic values and teamwork, the students will be challenged and supported to recognise their gifts and develop their potential as they learn and contribute to their community.
