BODY AND BLOOD OF CHRIST

*Lord Jesus, You make yourself PRESENT in a special way
in the bread and wine at MASS to become our food and drink.*

*Keep in us the wonder of this mystery
that we may recognise you in the breaking of the bread,
that we may know you ever more intimately and
live in ever close and deeper union with you.
You in us and we in You. Amen.*

Dear Parents and Caregivers

This Sunday, 27 September, is the Feast of St Vincent De Paul, Priest. He was born in Gascony (France) in 1581; he died in Paris on this day in 1660. He was a parish priest who worked for the apostolic renewal of the clergy, founding the Congregation of the Mission (Vincentians) for missionary work in rural areas and for the formation of clergy. He was committed above all to the oppressed and disadvantaged. The work of the Society of St Vincent De Paul is important to our school community, and we assist the Society through the work done by our 'Young Vinnies'. In this time of unemployment and disadvantage to many throughout the local community, our support of SVDP is very important and highly appreciated.

Congratulations to all our students who celebrated their 1st Holy Communion last weekend. Thank you to Father Marian and Father Dariusz for a beautiful Mass. Thank you to our wonderful staff for all the extra work put into this special significant milestone in the spiritual growth of our students.

Mrs Jennifer Colyer who has been a valued staff member here at St Andrew's since January of 2000 has announced her retirement. She was working in Kindy in 2020 and has been an Education Assistant in many year levels. Jen has a passion for working with the Junior Primary Students and she will miss them and the fun learning times they shared. She was always a very reliable and experienced lifeguard at our Aqua Fun Day. Jen shared her creativity and flair for art throughout the school on many occasions. She will be greatly missed by both the staff and students. We wish Jen a very happy and relaxing retirement enjoying her many interests and her six grandchildren!

Also, congratulations to all our students who participated in our Sports Carnival last week. Well done to all students who achieved 'Champion Boy' or 'Champion Girl' in their year levels. A huge thank you to Mr Waddell and our wonderful staff, especially those who came in early to assist in setting up for the day. Another big thank you goes to all parents who came in for open night and supported our Bookfair. A special thank you to Mrs Parody and all staff who assisted with the Bookfair and Open Night.

At this time of the year many parents and children are interested in their teachers and what is happening for the following year. There has been no formal decision as to which staff member will be teaching which grade in 2021. However, all teachers in schools are requested to change grades, every few years, as this is a part of their professionalism. In schools, like our own, this means that some children may have a teacher that they have had in previous years. This is unavoidable, and most children look forward to the excitement of the new grade (so does the teacher). If any parent has any concerns, they are welcome to place this in writing to Mr Fontaine, next term.

We wish all in our school community a safe and happy holiday. We remind you that full summer uniform should be worn in Term Four and we look forward to seeing our students returning on Tuesday 13th October.

God blesses

Fintan Archer
Acting Principal

COLOUR BLINDNESS

Colour blindness means that a person cannot distinguish some colours or see the colours differently to other people. Very few people who are colour blind are 'blind' to all colours. Commonly, the colours seen differently are greens, yellows, oranges, and reds.

An information leaflet on colour blindness will be distributed to all year Pre-primary students. Please take the time to read the pamphlet.

For more information and see the Colour Blind Awareness and Support Group on <http://www.members.optusnet.com.au/~dovertan/>

If you have any concerns, colour vision testing can be performed by some general practitioners, eye specialists or optometrists. You can also contact your local Community Health Nurse, **Denise Cassidy**, on **0428410623**.

SCOLIOSIS

Scoliosis is an abnormal sideways curvature of the spine. It can be detected by a simple examination of the back.

The normal spine has three curves – one in the neck, one in the upper back and one in the lower back. These curves can be seen from the side, but when you look from behind the spine should appear straight. If the spine has a sideways curve, this is scoliosis.

An information leaflet about Scoliosis will be distributed to all year 6 students. Please read through the information provided and check your child for scoliosis as described in the leaflet.

If you have any concerns, please contact your General Practitioner or Community Health Nurse, **Denise Cassidy** on **0428410623**.
