Second Week

Dear Parents,

This is the final newsletter for 2021!

Our school continues to be at the forefront of presenting a comprehensive Catholic education to everyone in Clarkson and the surrounding suburbs. We are Christ centred, child focussed. I am so proud of all of the children and the staff's resiliency and agility in 2021! The initiative shown by the children as well as the collaborative open-ended tasks devised by the teachers have been a credit to all. So much has been achieved and we eagerly look forward to 2022 with renewed vigour and excitement, and of course, sound health. We are blessed with wonderful teachers, staff, students and parents. Our community continues to flourish from strength to strength.

I will continue to pray for you all at our school and know that great things will continue to happen. On Wednesday night, I was fortunate to attend the Year 6 Graduation Mass and associated ceremony in the Parish Church and School Hall. We have had an enthusiastic and enjoyable Year 6 group of children attend St. Andrew's this year. I enjoyed a productive relationship with them all and know with their outstanding teachers, that they will leave St. Andrew's proud and with an ongoing respect to achieve their personal best. Good luck to all of the Year 6 students and I wish them well for their exciting futures.

YEAR 6 GRADUATION OUTING

Last Friday, I was very happy to be invited, by our current Year 6 students, to their graduation outing. This event was held at Outback Splash - The Maze. The day proved to be quite warm but the children had a very enjoyable time; I thank Mrs Campbell, Mr Waddell, Mrs Stokes, Mr Bartuccioto, Mrs Baldock and Mrs Puca for all of their efforts to make this event the success that it was.

MUSIC GALA

On Monday morning we were entertained and amazed by our in-school music students who performed in the Music Gala. This event has proven to be popular for all involved and showcases the talent of our students; some students have just recently joined the music program to others who are accomplished performers. It also allowed the tutors to demonstrate to the children small group performance compared to an individual performance. Congratulations to Mrs Mulholland, the in-school music tutors and all of the talented students.

KINDY CHRISTMAS PARTY

On Tuesday we celebrated our 2021 Kindy Class Graduation and Christmas Party. Even though the weather was quite warm, the children had a wonderful time performing several songs, jumping on the bouncy castle and meeting with Santa. Congratulations on an outstanding year.

CHRISTMAS ASSEMBLY

Thursday, we celebrated our final gathering together as a school, with our annual Christmas Assembly. The choir led the school into our Christmas celebrations by singing several Christmas carols and we had our final notices. It was a very meaningful way to finish off the formal part of our 2021 school year.

This year, the School Advisory Council and I have worked very hard to keep school tuition fees increase for 2022 to a minimum. That is, there will be a 2% increase in school tuition fees and the building levy for 2022. In fact, we have extended a 0% increase to many line items on the school fee account. (Even though there have been some increases from suppliers, the school will absorb the costs for the benefit of all of the families.) The school fee increase equates to an increase of \$27 for the whole school year. A copy of the school fees is attached to the end of this newsletter. Thank you to all involved.

Being the last newsletter for 2021, I wish all families a very peaceful Christmas and an enjoyable New Year. Even though you may find it difficult to spend time with loved ones, I hope that in your heart you can pray for all of those people less fortunate than yourself. May you all return in the New Year refreshed and with enthusiasm. Finally, to those families who are leaving the school, I wish you all the best in your future endeavours.

STAFFING

Mr. Warren Smith, who has touched the hearts of so many students in education has decided to retire. Warren has worked for 46 years as a teacher and specifically 42 years in Catholic education. He has worked at St Andrew's for the past 18 years. Warren has held a number of roles at so many different schools but specifically at St Andrew's he has assumed the role of Assistant Principal for 16 ½ years and Principal for 1 ½ years. Warren had the onerous task of guiding the school during a lot of transition, including the transition between Principals. Warren's passion is education and the formation of young people into great global citizens. So much so that both of his daughters have become teachers as well. Warren has such a profound affect that whenever ex-students come back to visit, they all want to see and speak to Mr. Smith. Warren has been a very supportive and dedicated member of staff and we wish him every happiness into the future as he relaxes with his children and grandchildren. This is one of Warren's future goals and one that he is so looking forward to. We know that Warren's heart is filled with fond memories of St Andrew's school over the decades.

We sadly say farewell to Mrs. Debra Parody. Debra has worked in the Catholic Education system for over 28 years. She has been a valuable staff member at St Andrew's for 25 years. Debra has held a number of different roles within the school; in grades from PP to Year 4 and later in her role working in the library. Her passion is for the arts and exploring ways to provide opportunities for children to 'think outside of the box' and looking at things in different ways. She has a very great talent at craft and in her first years at St Andrew's even taking craft lessons for the parents and teaching them to paint, fancy stitch and quilting. Her positive and encouraging manner is infectious and all of the children really enjoy interacting with her as they attend the library or within the classes that she works. Need some help with Literacy Pro or Lexile, then Deb's the person to see! As Deb retires to enjoy more time with her family and grandchild, we know that she will always have her heart with St Andrew's School.

Mrs. Lesley O'Neil left our happy family during this year. Every one of you would have been greeted by Lesley's smiling face and wonderful sense of humour as you entered the front office. Most of you would not have been aware that Lesley actually commenced working at St Andrew's as a Teacher's Assistant but soon found that her passion was to work in administration at the front office. Lesley has worked at a number of Catholic schools within Western Australia for many years and in fact, at St Andrew's for 22 years. Lesley is currently travelling around Australia, a dream that she had and bought a caravan to make it come true. We all wish Lesley every happiness.

We also say goodbye to Mrs. Jacqui Durtanovich, our school's finance officer and bursar. The lady with the money that was always striving to make every dollar stretch as far as it could for all of the families at St Andrew's. Again, some of you may not have known that Jacqui actually started at St Andrew's as a Teacher's Assistant and has worked in a number of different classes and with different teachers within the school. Jacqui's passion was finance and hence, she left the classroom, but still wanted to be involved with the school and community and took on the finance role. Jacqui has worked at a number of Catholic schools within Western Australia for some 33 years and in fact, at St Andrew's for 13 years. Jacqui is looking forward to retirement and being able to spend an extended amount of time with her family in New Zealand. (And of course, her daughter Melissa and husband Millen). She is an avid card crafter who can spend hours developing unique creations. We will all miss you immensely at St Andrew's, Jacqui.

Mrs. Anne O'Connell actually started her teaching career in Victoria. After her initial appointment she came over to Western Australia and worked at Port Hedland. Anne headed back and forth from Victoria, to Western Australia for a number of years. In 1997, Anne commenced teaching at St Andrew's in the MAG area. She has worked at our school for 25 years and has held a variety of roles within a number of different classes. At St Andrew's, her fondest memory has been the success, challenges and growth that she has observed from where she worked with the children to when they have left the school. One of Anne's greatest gifts is her flexible approach to teaching the students. We wish Anne every happiness for the future and know that she will be missed greatly at St Andrew's. We truthfully hope that our paths will cross once again in the future and that Anne enjoys her retirement; cooking more delights and dressing up as "Miss Wishy Washy!".

We say farewell to Mrs. Julie McMillan, who leaves our school after 8 years of service. Julie has worked for 17 years in Catholic Education but this year decided that she would like to take a new direction in life. Julie has worked from Pre-Primary to Year 6 this year. She always had the best interests of the children at heart and wanted them to achieve greatness. We wish Julie all the best for all of her future endeavors.

Mr David Parody joined us two years ago to assist with the mammoth task of looking after the school grounds. David has brought so many skills to the position, and he is a real thinker. No matter what has to be done or what problem he encounters, he has a practical and sensible solution. He loved this part time job as he could use his talents and impress us all. David is looking forward to retiring and fishing, just enjoying life to the fullest.

Parents should also note that a number of other staff have changed positions for next year and we wish them excitement as they commence their new roles for 2022. To our returning new staff member, from parental leave, Mrs Joanne Rapinese, we wish her a long and rewarding career at St Andrew's and I know that all of the children and parents will make her feel very welcome.

ASSEMBLIES 2022– FRIDAY MORNINGS

Assemblies will be held on **FRIDAY mornings**, in the school hall, commencing at 8:45am sharp in 2022. Please look at the term dates and the newsletter for further details. As you are aware from the information presented in past newsletters and from the press, in 2022 Health Care Card Holders will be eligible for a reduction in school tuition fees. The Catholic Education Commission of Western Australia have made a decision to extend the Scheme making those PCC holders receiving a "Parenting Payment single" payment – code PPS on the card eligible for the same concession as HCC holders. The CEO web site www.ceo.wa.edu.au contains further information and parents can log on and follow the links. Dear Parents,

2022 INFORMATION OPEN AFTERNOON

(Parent – Teacher Information Sessions)

Years PP – 6

(And NEW KINDERGARTEN PARENTS)

***straight after school until 4:45pm
on Tuesday 1st February 2022.***

I would like to invite all parents to attend the ***Information Open Afternoon*** (K – Year 6) which will be held on, **Tuesday 1st February**. Classrooms will remain open afterschool and close at 4:45pm sharp.

It is imperative that you attend this afternoon so that you can formally meet your child's classroom teacher as well as obtain very valuable information regarding the year ahead. If you can-not make it on this day, then it is just as important to contact your child's classroom teacher and obtain a copy of the information presented.

For new families or families that have been unable to attend before, the simple outline for the afternoon is for the parents to visit their child's classroom, introduce themselves and gather the information that will be presented. It is **NOT A TIME** for a personal parent / teacher interview. (If required, this should be made a later time, in coordination with the teacher.)

The classrooms will remain open straight after school (unless your child's classroom teacher is on duty) until approximately 4:45pm to provide ample time for parents to attend.

Kindergarten and Pre-Primary parents, who attended the Orientation Meetings last year are not required to attend this afternoon, as the same information will be presented. However, if you are a new family with students attending these classes then it would be important to attend this afternoon to gather the information that was presented at the Orientation Meetings.

I look forward to seeing you all on the afternoon
