NEWSLETTER NO 2 2022

10 FEBRUARY 2022

A Prayer for Saint Valentine's Day

Most Gracious Heavenly Father,

*You gave Saint Valentine the courage to witness to the gospel of Christ,
even to the point of giving his life for it.*

*Help us to endure all suffering for love of you,
and to seek you with all our hearts;*

for you alone are the source of life and love.

*Grant that we may have the courage and love to be strong witnesses of your truth
to our friends and family and to the whole world.*

*We ask this through our Lord Jesus Christ, your Son,
who lives and reigns with you and the Holy Spirit, one God, forever and ever.*

Amen.

Dear Parents,

Thank you for **returning the relevant documentation** provided with last week's newsletter. If you have not done so, **it is required tomorrow please**. (I apologise for the length of Newsletter No.1 but it is important to provide this information at the beginning of Term 1).

The CHO (Chief Health Officer for Western Australia) has advised the community that schools should limit school gatherings of both staff and students to class groups or year levels. This is to minimise the number of students or staff impacted by the presence of a positive case. Therefore, whole school assemblies and other large school gatherings will be suspended until further notice. We apologise for any inconvenience caused.

The Minister for Education, together with the Chief Health Officer, have issued further directives related to schools which are **effective immediately**. These new protocols are in place to ensure schools can operate safely in the current environment. As a result of this announcement, we now advise that the following protocols will be in place at St Andrew's CPS:

- Parents will be permitted on school sites for drop-off and pick-up in outdoor locations only
- Parents are not permitted inside classrooms
- Parents should primarily contact the school by phone or email and should only attend the school office in rare cases

- All interviews between staff and parents will take place over the phone or via seesaw/email
- Please avoid gathering on school sites
- Mask wearing for parents is required outdoors where physical distancing cannot be maintained.

The directives also prohibit us from conducting indoor face-to-face events, camps and also require us to limit the contact between year groups.

As a result of these directives, we advise that unfortunately we are required to **cancel** the following events in Term 1:

- All Assemblies
- All scheduled Masses (please note that on Ash Wednesday, the teachers will conduct a short service in their classrooms and administer the ashes that Father Darek will deliver to school)
- Sacramental Parent Meeting on 16th February 2022
- Aqua Fun Day
- Easter Assembly
- Reconciliation Commitment Masses: parent choice whether to attend
- Reconciliation workshop (22nd February). Instead, this will be conducted by teachers during school time and unfortunately, parents will not be permitted to attend
- Sacrament of Reconciliation: this will proceed in our School Hall on Tuesday 22nd March at 11am. Unfortunately, at this stage, no parents will be permitted to attend.

Please note that in relation to the following events, they are still subject to final approval from the Chief Health Officer. Once a firm ruling has been established, we will advise you immediately. Hence, these activities will remain on school fee accounts and should they be cancelled, a full refund will be made to you.

- Swimming Lessons
- Year 6 Camp including the parent meeting (Year 6 parents – a separate note about this was sent home earlier this week on Seesaw)
- Year 6 Lightning Carnival

UPDATED TERM 1 DATES

At the end of this newsletter, an updated Term 1 dates has been attached. Many events will have to be confirmed closer to their scheduled time. We apologise for any inconvenience caused but thank you for your understanding. Two major changes are the

Year 4 Assembly – moved to Friday 19th August
Year 4 Eucharist Retreat - Friday 1st April

ATTENTION ALL PARENTS – GET CONNECTED TO YOUR CHILD’S CLASSROOM TEACHER.

Please ensure that all families are connected to Seesaw and have established the correct contacting protocols between parents and teachers. This is of the utmost urgency in preparation for any potential cases that may occur in our community.

SCHOOL FEES

We advise that school fees will be emailed next week (Week 3). We thank you for your understanding and patience.

ICT At ST ANDREW’S

We have had a number of significant items that are constantly being updated and worked on:

SCHOOL WEB SITE: This web site offers you an abundance of information regarding the school.

SEQTA ENGAGE: This program, as one of its functions, will allow parents to obtain their child’s school reports electronically.

SEESAW: All classes from Years K – 6 will be sending home information to parents regarding learning and what is happening in the year level.

P & F EVENT AN EVENING ON THE GREEN – WELCOME BACK FUNCTION

Sadly, we were advised to cancel this event by the CHO (Chief Health Officer of Western Australia.) A new date, to hold this event, has not been established and we will unfortunately have to postpone it until further notice. I am sincerely sad for the P&F committee, who placed so much effort into the booking of many new entertainments and food sources, for the night. Please join the P&F committee as I am sure that, in these trying times, they could appreciate your support.

SICK OR FEELING UNWELL

Please remember that *if your child is sick or even feeling unwell, school is not the place to drop them off*. Children have been brought to school unwell when they should be kept home. While I fully understand that this may not be possible in all circumstances, it is essential that sick children are not brought to school. They could make other students unwell and they will not be able to undertake the rigors of school work.

PARENT SACRAMENTAL NIGHT 2022 - POSTPONED

Our proposed Parent's Sacramental Night, which was to be held next Wednesday 16th March, has been postponed. A new day and date will be passed onto parents, once it is established and we have been given the authority to proceed by the CHO (Chief Health Officer). We appreciate your understanding in this situation.

AQUA FUN DAY

Unfortunately, we have received health advice that this event will not be able to proceed this year. Like the children, we are all sad about this development and directive.

KINDY 2023 ENROLMENTS

We are processing applications for children who intend to participate in the St Andrew's 2023 Kindergarten Program. If any parent has not enrolled their child and they are born between July 1, 2018 and June 30, 2019, they need to do so immediately. (We can only enrol children who have the correct enrolment application forms and that we know want to participate in our program.) **Please do not assume that we**

'know' that your child is seeking enrolment into the St Andrew's Kindergarten program.

HEALTH CARE CARDS

Thank you to all of those parents who are on **Health Care Cards** and have filled in their application for School Fee Relief. If you have not done this as yet, please do so by the end of this week as School Fee reminder forms will be sent shortly. Thank you for your co-operation in this matter.

STUDENT ABSENCE DURING SCHOOL TERM

Parents who remove their children, during the normal school term for a vacation, need to inform the classroom teacher and the Principal in writing. St Andrew's Catholic Primary School does not support the withdrawal of children during important term teaching time. Should there be no alternative, please be aware that ***it is not the responsibility of your child's classroom teacher to prepare and correct work during this time. Nor to catch up on work that is missed.*** Thank you for your understanding in this matter and I am personally happy to discuss this further with any parent, if required.

CHILDREN IN OTHER GRADES WHO WISH TO PARTICIPATE IN THE SACRAMENTAL PROGRAM

Parents of children who attend our school in Years 3 - 6 and have missed receiving one or several sacraments during their Primary School education can join in the Sacramental programs for 2022. If this applies to your child or you would like to find out further information, please do not hesitate to contact Mr Archer immediately.

STUDENT ACTION PLANS FOR ANAPHYLAXIS / ALLERGIC REACTIONS

Any student who requires an action plan for either Anaphylaxis, Allergic Reactions or Asthma will need to complete a new Action Plan form. It should have a current coloured photo and be completed by your family doctor. Please hand it to the office urgently. Please do not assume that if you have completed one of these forms before that it will suffice. **Each year a new and updated form must be submitted** to the school according to legislation.

A REMINDER TO ALL STUDENTS

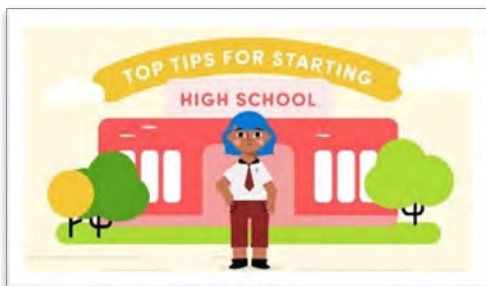

- All children who arrive prior to the 'meet and greet' time should be taken to the Undercover area as this is the supervision point. Parents who are on the school grounds need to **WEAR A MASK AND ENSURE CORRECT SOCIAL DISTANCING AT ALL TIMES.**
- School bags with your devices in them must be kept with you in the Undercover area each morning until you have been given permission to enter your classroom.

We thank you for your co-operation in these matters.

CATHOLIC SECONDARY COLLEGES

It is the parent's responsibility to enrol their child in the Catholic Secondary College of their choice. While we are a local school to Irene McCormack Catholic College, Prendiville Catholic College and Mater Dei Catholic College, **parents still need to send in the application forms by the due date.** (Current Year 5's should have

returned their enrolment forms to the secondary school of choice by NOW!!!) We are very fortunate to have excellent Catholic secondary colleges that our children can attend. **A suggestion to all parents is that when your child is in Year 4, by the middle of that year, you should have submitted your enrolment forms to the secondary school of choice.** Please do not leave it too late! Mr Fontaine is

happy to discuss this further with any parent if required.

P & F MEETING

I was privileged to attend the initial P&F Meeting for the year. The meeting was very productive with the injection of innovative ideas, as well as retaining the traditional favourites. The school newsletter will also be placed on the Facebook page to further assist with the provision of information. Please remember that you are all always welcome to attend any P&F meeting.

OPEN AFTERNOON

Thank you to the parents who attended this very important event. A lot of very valuable information was handed out and ***if you were unable to attend, please ensure that you collect the handout from your child's classroom teacher.*** I sincerely thank you to all of the staff, who worked collaboratively with their partner teacher to ensure that the afternoon was held very early in the new school year. Their concerns proved justified and parents should ensure that they have established the correct protocols for contacting your child's classroom teacher, should the school be forced to deal with an outbreak.

Last Thursday we had the distinct privilege of ***"badging" our Year 6 Student ministries*** at our Opening Mass and subsequent assembly. I wish to personally congratulate all of our Year 6 children on their ministries and wish them success in every endeavour.

YOUR CHILD'S PROGRESS

If you have any concerns with regards to your child's progress, the school policy is very clear in its pathway. **Your initial meeting must and should be with your child's classroom teacher.** At this meeting it is imperative that you explain the situation clearly and allow the teacher both the right of reply and time to manage and deal with your concern. Please remember that your child's teacher may be unaware of the concern and may require time to research and gather information. While I support the contact with teachers via email or letter, please be aware that there is no face to face meetings allowed. If you still would like to speak to your child's classroom teacher, then please arrange a mutually suitable time to speak over the phone.

Also, as a staff, we are building resiliency in students where they set fair rules for all to play and solve problems which may arise. Many students, when discussing their day with their parents remember an isolated incident, which had been dealt with, and parents need to just listen, ask them what they did in the situation and support them from home. ***Once the information has been gathered and analysed, our caring and dedicated staff have made excellent decisions as to the wellbeing of the child.***

If, after having several meetings with the teacher, you feel that no resolution has occurred, then parents have the option of booking an appointment with one of the Assistant Principals, either, Mr Archer or Mrs Campbell.

Finally, after the parent has exhausted these other avenues, Mr Fontaine is the final port of call. Thank you for your cooperation in this matter.

Sam Fontaine
PRINCIPAL

VISION STATEMENT

Saint Andrew's School offers an education that acknowledges, respects and nurtures the uniqueness of each child.

Within a framework of Catholic values and teamwork, the students will be challenged and supported to recognise their gifts and to develop their potential as they learn and contribute to their community.

We endeavour to provide a quality Catholic education which is Christ centred, child focused.

SCHOOL NEWS

INSTRUMENTAL TUITION: We welcome back Mrs Lynette Kirkham. Ms Rachael Perry, Mr Scott Young and Mr Gordon Jansen as our music tutors.

This is a reminder that if your child is having instrumental lessons in school, the lessons must be paid in advance, prior to the lessons commencing. Lessons missed by students will not be reimbursed and the tutor will NOT be expected to make up lessons. Lessons missed by the tutor will be made up.

Mrs Mulholland [Music Specialist]

**Happy Birthday to those
who have or will be
celebrating their birthday
soon!**

NATIONAL DAY OF ACTION AGAINST BULLYING

- The National Day of Action against Bullying and Violence is an important day in our school calendar to join with other schools across Australia to say 'Bullying. No Way!'
- We're joining the nationwide movement with schools across Australia to Take Action Together against bullying on Friday 18 March 2022.
- We're proud to be an NDA school!
- We're proud to say 'Bullying. No Way!' We are putting our anti-bullying initiatives in the spotlight and calling on our school community to stand with us on Friday 18 March 2022.
- At our school, we encourage students to take hold of the issue and talk about what works. Let's support our students to drive powerful messages and take action to prevent bullying.
- The NDA promotes school, parent and community partnerships to build supportive learning environments and find workable solutions to address bullying.
- Together we can make change. Everyone has a role to play in supporting young people in dealing with bullying and helping to energise positive discussions about the issue.
- Students have a voice in talking about bullying on the NDA 2022. It's important we include them in finding solutions.
- Check out the Bullying No Way website for lots of great advice and tips for families.

Thanks,

Fintan Archer
Assistant Principal

LITERACY AND NUMERACY AT ST ANDREW'S SCHOOL

At St Andrew's Catholic Primary School, we have dedicated Literacy and Numeracy Blocks in each class to further develop the child's skills in these areas.

LANGUAGE SCREENING ASSESSMENT FOR KINDY: All kindergarten students participate in the AIM Language Screening Assessment in Term 1. This allows for the early identification of individual student needs. Further information can be obtained directly from your child's classroom teachers.

OCCUPATIONAL THERAPY SCREENING ASSESSMENT FOR PRE-PRIMARY STUDENTS: All Pre-Primary students participate in the AIM OT Screening Assessment in Term 1. This allows for the early identification of individual student needs. Further information can be obtained directly from your child's classroom teachers.

OEA: (On Entry Assessment) A computer-based program known as OEA is used within the Pre-Primary and Year 1 cohorts. OEA is designed to determine the student readiness for learning and to pin-point areas of student's strengths and weaknesses. In this way it facilitates the future planning and learning for students. Mrs JoAnn Dennis, or your child's classroom teacher can be contacted if you require any further information.

PMP (Perceptual Motor Program) All children in Pre-Primary will be provided with the opportunity to participate in this program. These skills tasks are designed to improve each child's fine and gross motor skills and usually take the form of fun physical education activities.

PLD SPELLING ASSESSMENTS: This screening is conducted with students from Kindergarten to Year 3. The information gathered gives a clearer picture as to where the child is actually at in certain areas of literacy.

RUNNING READING RECORDS / DECODABLE READING ASSESSMENTS / MATHS ASSESSMENTS: All students in Years 1-6, may be assessed using these processes. These results enable the teacher to gain an understanding for a starting point to teach your child.

STANDARDISED TESTS: Each class will be completing Standardised tests in a variety of Learning Areas so that data can be gathered. Once the gathered data is analysed, then sound teaching and learning practices can be employed.

LLI (Levelled Literacy intervention) / MINI LIT SAGE: These very beneficial and valuable programs are being taught at St Andrew's. Our goal is to assist students to

at least meet, or better, minimum literacy and numeracy standards. Tutors work with students throughout the school.

Please speak to Mrs Dennis, Mrs Baldock, Mrs Connolly or if you require any further information.

TEACHER PROGRAMMING: The staff at St Andrew's School meet regularly after school hours in 'Professional Learning Communities' (PLC) as Junior / Senior clusters or a whole group to plan, monitor and assess learning journey's using the results from the data and other testing (e.g. NAPLAN). All grade teachers program collaboratively so that both classes cover the same content and concepts at approximately the same time. In this way, both grade teachers can share ideas, thoughts and skills to enhance the learning environment and journey for the children.

ENRICHMENT: Enrichment is a program that is offered at the school catering for children, who have been identified for enrichment activities above their chronological age. Please speak directly to Mr Redding if you require any further information.

HANDS ON: Mr Redding runs a program specifically designed for upper primary students (Year 6) to develop higher order thinking skills through hands on activities and manipulation. This also includes the use of drones as an educational experience, as well as other robotics. (Enrichment children do not usually participate in this program.)

DYSLEXIA SUPPORT GROUP: Mrs Dennis conducts small group intensive programs for children in Years 2 -6 using the SPELD Foundation resources.

INTENSIVE SMALL GROUP SUPPORT PROGRAMS: Mrs Dennis, Mrs Baldock, Mrs Connolly and Mrs Campbell conduct small group intensive support programs to assist children in their learning journeys.

INDIGENOUS SUPPORT SESSIONS: Mrs Parata and Miss V conduct support groups for both Indigenous and non-indigenous students throughout the school to work on self-esteem skills as well as academic achievement.

EMOTIONAL WELL BEING: Sr Wendy conducts several different programs throughout the school year with a focus on, but not exclusive to, the children's emotional well-being.

AUSSIE OPTIMISM: The Year 3 students, later in the year are involved in an Aussie Optimism Course. Details will be sent home by your child's classroom teachers and they work in collaboration with Mrs Quintal.

LITERACY PRO: (Lexile Reading) This program is an individual based reading / comprehension program for children in typically Year 3 and above. The children work on literature at their own specific level and then complete tasks to ascertain comprehension. Mrs Baldock is the coordinator should you require any further information.

STREAM CLUB: (science technology religion, engineering, the arts, mathematics) This club is offered to students in Years 3- 6. It provides an opportunity

for students to use 3D construction material as well as creatively problem solving. Mr Redding is the coordinator should you require any further information.

LEGO CLUB: This club is offered during lunch times for students who enjoy participating in problem solving using Lego construction. Mr Redding is the coordinator should you require any further information.

CHESS CLUB: This club is offered to students typically from Years 2 - 6 who enjoy the challenges and strategies of playing friends in chess. Mr Redding is the coordinator should you require any further information.

NUMERO CLUB: This club is offered during lunch times for students who enjoy the thrills and challenges of playing a card game that involves mathematical strategies and problem solving. Mr Redding is the coordinator should you require any further information.

PHYSICAL LITERACY: Our school is a pilot school for this program within Australia and partnered with KIDDO to promote healthy lifestyles, mindfulness and body sets and to ensure that children are not placidly seated through the school but actively engaged during the day. Please speak directly with Mr Waddell should you require any more information.

AFTER SCHOOL SPORTING CLUBS / RUN CLUB: In first semester Mr Waddell conducts a series of after school sporting programs that provides an opportunity for children to participate, in a number of different sporting activities. Throughout the year Mr Waddell, supported with other staff members, offers run club for the children to participate in. (Participation numbers for run club may be limited due to health regulations.)

RESOURCES: We have already purchased a considerable amount of up to date resources, in every class, to support our programs.

I hope that this information has assisted you. If you have any other questions, please do not hesitate to contact me.

These programs and assessments are designed to again determine the student's areas of strength and support. The results enable the teachers and support staff to begin teaching your child at an appropriate level. The results of these assessments are analysed and interpreted, and the findings and recommendations are given to St Andrew's School staff for further consideration and implementation.

Due to impending covid restrictions, some lunch time clubs will be temporarily suspended until further notice.

standrewsparentsandfriends@gmail.com

CANCELLATION OF EVENTS BUT NOT CANCELLATION OF FUN

Like all parents and carers, the P&F have been left heartbroken from all the cancelled events due to the ongoing COVID situation. But we love a challenge and the new requirements mean that we just need to think outside the box a little bit to ensure our children get to celebrate and enjoy the upcoming holidays and events. The usual Easter and Mother's Day events will need to be 're-worked' and we would be keen to incorporate any fabulous ideas you may have. As always, check out our [St Andrew's Clarkson CPS P&F Group](#) Facebook page or contact us on email standrewsparentsandfriends@gmail.com

COMMUNITY NEWS

A note from the School Health Nurse.

Welcome to the new school year. My name is Sally Steffanoni and I am the School Health Nurse who visits St Andrew's CPS.

School Health Nurses work in schools to promote healthy development and wellbeing so students may reach their full potential. A major part of my work is focused on early intervention and the School Entry Health Assessment program. Additionally, the nurse can be contacted at any time throughout primary school if you have concerns about your child's health, development or wellbeing.

School Health Nurses serve as a health contact point for children and their families, providing information, assessment, health counselling and referral. They also work in partnership with schools to support teachers in health-related curriculum and can assist in the development of health care plans for students with complex and chronic health needs.

The services provided are free and confidential.

My contact number is 0414896506. I work Tuesday, Wednesday and Thursday.
