General Information

Please understand that some products may not be available because of limited stock from the canteen suppliers. Please be assured that the canteen will provide a substitute where we can. We apologise for any inconvenience.

This year due to one use plastic containers being removed from the school canteens, the canteen will only be using biodegradable or cardboard containers.

The canteen does not sell water bottles.

Health Eating

We only use wholemeal Bread.

Where possible, we use low fat and low salt products.

We use 97% fat free Chicken Meat and low-fat Cheese.

We promote healthy food eating guidelines and follow the Star Choice Canteen Awards, National Heart Foundation, and the Canteen Association Traffic Light Healthy Food Guidelines.

Lunch Bags

Lunch Bags are available from the Canteen for \$1.00 for 10 bags or 10c each.

Could you please fold the Lunch Bag so that the money doesn't fall out.

Please don't use staples or tape. If you wish to wrap the money, please just wrap in a Tissue (not cling wrap or foil).

Each family member must have their own lunch bag.

If your child has ordered lunch and goes home sick, please notify the Canteen.

Canteen Volunteers

Volunteers are always welcome and are vital to the operation of the Canteen—without your help the canteen could not operate. If you can spare some time, we'd love to hear from you.

On-line Ordering with Quick-Clig

Brochures are available from the canteen or front office.

Please note that lunch bags are provided only when ordering on-line.

Kind regards

Maria Cross
