## Reflection on the Progress towards the Goals of the 2019 School Improvement Plan

### Catholic Identity

- Throughout 2019 we continued to develop a Catholic Language in our community through sign and symbol and our Years 3, 4 & 6 students participated in the Sacraments at St Andrew's Church.
- We continued class groupings for Sunday Mass attendance as an invitation to provide an opportunity for greater involvement in St Andrew's parish life.
- Laudato Si has been a focus for the staff for the past two years and consequently, the students at St Andrew's have developed a better understanding of our environment and our world. Many new and innovative sustainability and recycling initiatives continue to be implemented within the school.

### Learning

- Throughout 2019 all staff members at the school collaborated to ensure that we used a shared vision and approach to our teaching and learning program (Pedagogy and Philosophy) with shared beliefs and understandings. The School Vision for Learning will be completed, and we intend to provide this document to the community in 2020.
- Every year level was using the SCASA document, in all learning areas, for students in Kindergarten to Year 6.
- We continue to collect and analyse relevant and up-to-date student data to enhance student performance and school improvement.
- In 2019, The literacy Collective (CEWA Program) has been implemented throughout the school with a focus on student improvement through the case management approach.
- Agency continues to be an on-going focus in the whole school, particularly, in the Early Years.

## Engagement

- Throughout 2019 more opportunities were provided to build on our Catholic culture at the school. An example of this has been through parent information sessions and upskilling parents in the Support A Reader Program.
- Throughout 2019 we continued our focus on relationship building with our parents and staff through mutual trust and respect. Many different forms of communication are available to parents so that they can stay immersed in their child's education. Including, but not limited to, See Saw, Do Jo, notes, newsletters, SMS, open nights, parent Information sessions, personal notes, personal phone conversations, parent – teacher meetings, school website, assemblies, MJR activities and open days.

## Accountability

- We continued to provide learning environments where everyone feels safe and can flourish.
- We follow all the policies and guidelines as set out by the Catholic Education Office of WA to ensure accountability.
- In 2019 the process of developing an Aboriginal Personalized Learning Plan has commenced, as directed by CEWA.

*All the above activities that the children experienced are ways in which we, the staff of St. Andrew's Catholic Primary School, ensure that the children's learning is real, dynamic, and meaningful. We also believe that it also encompasses the domains of emotional, physical, spiritual, and intellectual development.*
