

# HELPING IN THE CANTEEN

Dear Parents

The aim of the canteen is to serve nutritional food and drink to the children at reasonable prices. Our menu is based on The Star Choice Program and is in line with the State Government regulations.

In order to provide appropriate service to our children and families, in relation to nutritional food and cost, we require all families to contribute to the operation of the canteen in whatever way possible.

Participation in this area provides parents with the opportunity to contribute in a meaningful way to the school and helps each family to become immersed in our St Andrew's community. It also provides a wonderful opportunity to meet other parents and to develop positive and meaningful relationships with families.

The outcome is also very positive for our children. The children love to see their Mums or Dads helping in the canteen. They sense a real feeling of belonging and begin to understand the important partnership between the school and the home.

The work is easy. It involves taking the money out of the children's lunch bags, preparing the lunches, serving at morning tea and bagging up the lunches for the children to collect at lunchtime.

The session is from **8.30am to 11.00am or 1.15pm**. All canteen volunteers are required to wear closed in footwear at all times.

It would be wonderful if all parents could provide time to support our canteen. If you are able to help out, please fill out the form below and send it to the office as soon as possible.

We very much appreciate your support.

---
